

# Fully Integrated Team (FIT) Worksheet

Use this tool to reflect on each of your team members in order to create a Fully Integrated Team. Write down each team members strengths and struggles. Annotate whether you would rehire each person or not based on both their performance and alignment to the organization's values. Consider if they are in the right role and identify what actions you should take now to create a Fully Integrated Team.

Who	Strengths	Struggles	Rehire	Position	Next Steps
