3 WAYS TO BUILD STAYING POWER

IN A WORLD WHERE EVERYTHING SEEMS UPSIDE DOWN, HERE ARE 3 WAYS THAT YOU CAN SHOW OTHERS THE VALUE YOU BRING TO THE TEAM.

BE PRODUCTIVE, NOT JUST BUSY

- Do you consistently say 'no' to less important things in order to put your energy behind the stuff that matters?
- Do you regularly invest time in things that truly matter?
- Are you caught in the do-loop of business?
- What's the last big thing you brought across the finish line?

BE FLEXIBLE AND HUMBLE

- When was the last time you stepped out of your comfort zone?
- What could you do today to push yourself in a new direction or prove your versatility?
- What's something you've wanted to try, but haven't given it a shot?
- Are you willing to humble yourself to make it happen?

BE LOYAL TO SOMETHING OR SOMEONE

- Would people use the word loyal to describe you?
- If not, what can you do to earn the label?
- What are you loyal to? Yourself? Family? Business? Occupation?
- Who can count on you to have their back? Who can you count on?
