

5 BARRIERS TO TEAM WORK

WATCH OUT FOR THESE FIVE OBSTACLES TO BUILDING AN EFFECTIVE TEAM

STRUCTURES

Watch out for organizational structures that cause confusion, reduce accountability, or stovepipe people.

PROCESSES

Watch out for processes that are misaligned and don't allow people to do their very best work.

WORKSPACE

Watch out for workspaces that limit everyone's ability to interact, reduce collaboration, and create *Us vs. Them* situations.

TECHNOLOGY

Watch out for technology initiatives that cause people to serve the technology rather than the other way around.

POLICIES

Watch out for policies that signal distrust, adversely inhibit employee initiative, or create useless bureaucracy.
