

# 3 WAYS TO TACKLE A CHALLENGE

## JUST TAKE ONE MORE STEP

Tackling a challenge using this approach focuses on making small, continual progress. Regardless of the situation, you are always moving forward. By constantly advancing, even in small ways, you eventually accomplish the challenge.

## BREAK INTO SMALLER GOALS

Accomplishing a challenge with this method entails breaking the challenge down into smaller, more achievable goals then accomplishing them one at a time.

## SET A VISION & STRIKE OUT

Casting a vision and using it as the focus of one's efforts is key to this approach. It involves less concerns of short-term struggles of the moment and more on the long-term benefit of the destination.
